

# Sewing Machine Feet & Accessories

Like sewing machines, feet and accessories are designed to make sewing easier, more professional and therefore more enjoyable.

On the following pages you will find a range of feet and accessories for many of your sewing needs whether creative or practical.

As sewing machine designs have changed over the years so to have the feet and accessories available, so it is important that you check carefully which are suitable for your type of machine.

**If you are not sure which items are compatible with your machine, quote your model number to your stockist and they will provide you with the relevant information, or phone the 'Janome Help Line' direct on 0161 666 6006**
