NATURAL COLLECTION

Handmade in the UK with natural fillings and innovative pocket springs for lasting comfort and support.

Our best selling **Natural Collection** has been reinvented to provide even better comfort whilst being our most sustainable range yet. Handmade in the UK, with natural fillings chosen for their wonderful comfort, temperature-regulating and moisture-wicking properties. The innovative, sustainable pocket springs reduce pressure points and give excellent support. As the range is 100% recyclable at end of life with zero to landfill, we will recycle it for you when you purchase your new mattress with us in years to come.

At John Lewis & Partners we care about our furniture, from how it is designed, the materials used and the people who make it. That is why every detail is carefully considered to ensure you're as proud of it as we are.

Custom sizes and zip & link options are available to order.
