More ways we can help. Visit [johnlewis.com](http://johnlewis.com) for furnishing inspiration and details of the useful services we offer.

## PADMA

Created by our design studio, the brass detailing of the **Padma** range offsets the rich and earthy tones of the Acacia wood construction.

At John Lewis & Partners we care about our furniture, from how it is designed, the materials used and the people who make it. That is why every detail is carefully considered to ensure you're as proud of it as we are.

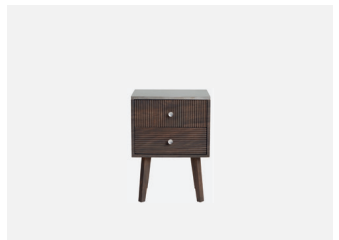

Shown in acacia.
