Care and maintenance

Your furniture may be cleaned by wiping with a damp cloth and drying with a soft clean cloth.

Do not use abrasives, bleach, alcohol or ammonia-based household polishes.

Take care when handling or moving the furniture. Careless handling may cause damage.

Regularly check that all fixings are tightened and that there are no broken or damaged parts.

Safety notes

Warning: Do not leave your child unattended.

Keep children clear during assembly as pack contains small parts which may present a choking hazard.

All assembly fixings should always be tightened properly. Care should be taken that no screws are loose because a child could trap parts of their body, or clothing (e.g. strings, necklaces, ribbons, dummies, etc) which could pose a risk of strangulation.

Be aware of the risks of open fires and other such sources of strong heat, such as electric bar fires, gas fires, etc. in the near vicinity of this product.

Do not use this product if any of the parts are broken, torn or missing.

Any additional or replacement parts can only be obtained from the manufacturer or the distributor.

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and retighten when necessary.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person only.

No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

Retain these instructions for future reference.
