

MARBLE PLEAT TABLE LAMP

INFORMATION LEAFLET

Thank you for purchasing this table lamp. Please read the enclosed information carefully before use to ensure safe and satisfactory operation of this product.

Warnings

This is a Class II product and must NOT be earthed. The lamp must be protected by a 3 amp fuse in the mains plug. If you are in any doubt, please consult a qualified electrician.

For your safety, always switch off the supply before cleaning or adjusting.

If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person. Always use correct type and wattage bulb. Never exceed the wattage stated.

Product assembly

Step 1

Carefully unpack the carton, making sure all the parts are present before assembly.

Step 2

The shade has been packaged inside out, before assembly the shade needs to be flipped to the correct orientation. Place both hands inside the shade and gently push out and downwards (A).

Step 3

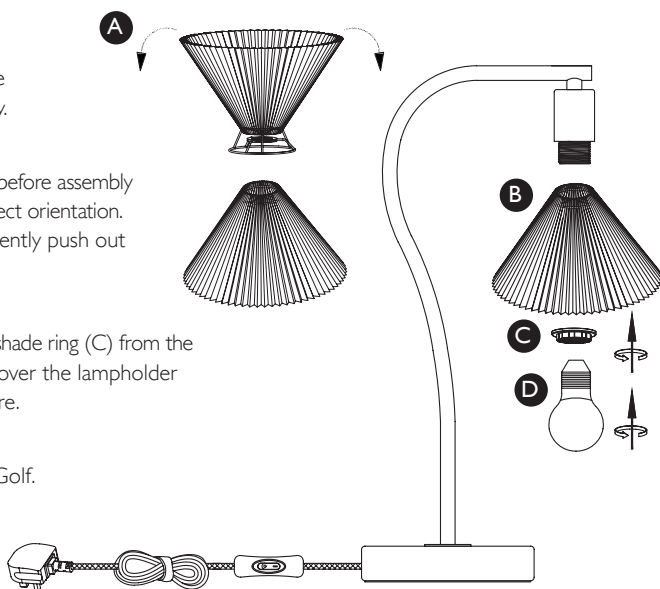

To attach the shade (B), first remove the shade ring (C) from the threaded lampholder. Locate the shade over the lampholder and refit the shade ring. Tighten to secure.

Step 4

Fit the bulb (D). 1 x Max 6W LED E14 Golf.

Step 5

Plug into the mains and switch on.
Your table lamp is now ready for use.

Recycling

This symbol  indicates that this product should not be treated as normal household waste and it should be recycled. John Lewis & Partners do not operate instore take back, but as members of the Distributor Take Back scheme have funded the development and upgrade of recycling facilities across the UK. Please take it to your nearest collection facility or for further details contact your local council or visit www.recycle-more.co.uk.

Cleaning

Clean the fitting with a soft dry cloth. Do not use abrasive chemical cleaners as this will damage the finish.
