Care guide

Care and maintenance

Fabric bedsteads

This bedstead should be cleaned using a soft, damp cloth and dried immediately. Do not use a very wet cloth on or allow any liquid contact for long period of time as this can permanently damage the surface.

Do not use detergents and do not rub as this can cause permanent damage.

Always protect your bed from direct sunlight as this may accelerate the natural on-going discolouration process.

The bed fixings including Legs should be tightened regularly.

Safety instructions

 **Never drag, push or pull your furniture as this can cause permanent damage. Always remove the mattress and lift when moving. Periodically check all fixings to ensure none have come loose and retighten when necessary.**

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

During assembly, children should be kept away from the product due to possible risk of injury.

Do not use this item if any components are missing or damaged.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person.

No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.

This product complies with BS EN 1725:1998 and BS 8509:2008+A1: 2011 (Clause 11).

When moving the bed, please ensure the mattress is taken off the bed before doing so.

When re-positioning the bed, please ensure the lift-up part of the bed is aligned correctly with the bed base before putting mattress back on.
