Use the cam buckle to ensure that the strap is pulled and held taut. This will ensure chair is set up in optimal position.

Please cross the end of the strap to the cam buckle after the adjust.

Once happy with the position and the strap is taut the loose end can be tucked into the gap at the top of the buckle frame, tidied out the way.

Care guide

Care and Maintenance

Do not use a wire brush when removing dirt from this item as it may damage the paint leaving the surface open to corrosion.

To extend the product life and appearance it is advisable to store the furniture in a cool dry place over winter. Ensure that the furniture is clean and completely dry before putting in to storage. Do NOT enclose the product in a plastic or other non-permeable material as this creates moisture.

If your furniture comes with cushions, when not in use it is recommended that they are stored in a clean and dry environment. Wipe up any spills immediately and always refer to the care label which will either be sewn to the back of the cushion or sewn inside if your cushion has a zip closure.

A cushion bag is included, to assist with storage of the cushions.

This cushion bag is not waterproof, Please keep it indoor when there is a big rain or storm.
