

CONCERT TABLE LAMP

INFORMATION LEAFLET

Thank you for purchasing this table lamp. Please read the enclosed information carefully before use to ensure safe and satisfactory operation of this product.

Warnings

This is a Class II product and must NOT be earthed.

It is for indoor use only, and not suitable for a bathroom location.

The lamp must be protected by a 3 amp fuse in the mains plug. Do not plug into the mains until your lamp is fully assembled.

Under no circumstances must this table lamp be covered with any material as this could pose a safety hazard.

It must be used on a stable, flat surface.

When manoeuvring or assembling this product, it must be lifted by the base.

Always use correct type and wattage bulb. Never exceed the wattage stated.

If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person.

Product assembly

Step 1

Carefully unpack the carton, making sure all the parts are present before assembly and place on a stable, flat surface.

Step 2

Remove the shade ring (B) from the lampholder. Place the gimbal (A) over the lampholder and secure in place by refitting the shade ring.

Step 3

Fit the recommended bulb (C). Max. 6W LED E14 Golf.

Step 4

Remove the finial (E) from the top of the gimbal and fit the shade (D). Refit the finial to secure the shade in place.

Step 5

Your table lamp is now ready for use. Plug into the mains and use the inline switch to turn the lamp on.

Recycling

This symbol  indicates that this product should not be treated as normal household waste and it should be recycled. John Lewis & Partners do not operate instore take back, but as members of the Distributor Take Back scheme have funded the development and upgrade of recycling facilities across the UK. Please take it to your nearest collection facility or for further details contact your local council or visit www.recycle-more.co.uk.

Cleaning

Clean the fitting with a soft dry cloth. Do not use abrasive chemical cleaners as this will damage the finish.
