

KAIRO TABLE LAMP

INFORMATION LEAFLET

Warnings

Please read these instructions carefully before commencing any work.

This product is only suitable for connection to a 240V~50Hz supply in accordance with current IEE Wiring Regulations. It is for indoor use only, and not suitable for a bathroom location. This is a Class II product and must NOT be earthed.

Do not plug into the mains until your lamp is fully assembled. It must be used on a stable, flat surface.

Under no circumstances must this table lamp be covered with any material as this could pose a safety hazard.

When manoeuvring or assembling this product, it must be lifted from the bottom section. The lamp must be protected by a 3 Amp fuse in the mains plug.

If you are in any doubt, please consult a qualified electrician.

For your safety, always switch off the power supply before cleaning or changing the bulb. If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person to avoid a hazard.

Ensure cables do not present a trip hazard or strangulation hazard.

Always use correct type and wattage bulb. Never exceed the wattage stated.

Wait 10 minutes for the product to cool down before replacing or adjusting the shade.

If any modification is made, it will invalidate the warranty and may render the product unsafe.

Product information

- Non-dimmable
- Replacement bulbs should be the same type and rating, available from John Lewis Partners or other established brands
- Clean the fitting with a soft dry cloth. Do not use abrasive chemical cleaners as this will damage the finish
- **Note: The sgraffito effect on the base is applied by hand. This may create subtle variations from item to item, making each piece unique.**

Aftercare and Troubleshooting

You've switched on the light, but it's not working:

1. Check your power supply is switched on
2. Turn off the light and check that the bulb is inserted correctly
3. Check the bulb is still in working order

If there are technical issues with this product that you can't solve, please contact your nearest John Lewis & Partners shop or call Technical Support on 03301 230106.

5-year guarantee

At John Lewis & Partners we test every light to high quality standards. That means we can offer you a 5-year guarantee.
