Product information

- Indoor use only
- Non-dimmable
- Replacement bulbs should be the same type and rating, available from John Lewis Partners or other established brands
- Clean the fitting with a soft dry cloth. Do not use abrasive chemical cleaners as this will damage the finish

Aftercare and Troubleshooting

You've switched on the light, but it's not working:

1. Check your power supply is switched on
2. Turn off the light and check that the bulb is inserted correctly
3. Check the bulb is still in working order

If there are technical issues with this product that you can't solve, please contact your nearest John Lewis & Partners shop or call Technical Support on 03301 230106.

JOHN LEWIS

ROSSO FLOOR LAMP
USER GUIDE

5 YEARS

Product Code:
12000205

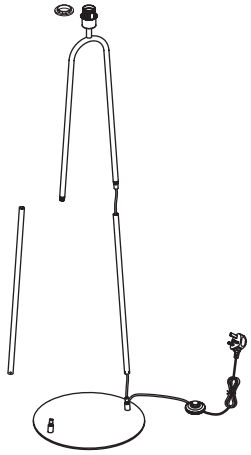

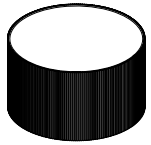

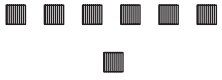

Getting started

Thank you for purchasing this John Lewis & Partners product. For your safety, and to make sure everything is working properly, please read the instructions carefully before use.

Warnings

This is a Class II product and must NOT be earthed.
It is for indoor use only, and not suitable for a bathroom location.
Your lamp has been packaged as separate parts to prevent damage during transit.
The lamp must be protected by a 3 Amp fuse in the mains plug. Do not plug into the mains until your lamp is fully assembled.
Under no circumstances must this floor lamp be covered with any material as this could pose a safety hazard. It must be used on a stable, flat surface.
When manoeuvring or assembling this product, it must be lifted from the bottom section.
Always use correct type and wattage bulb. Never exceed the wattage stated.
If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person.
For your safety, always switch off the supply before cleaning or changing the bulb.

Parts list

Description	Image	Quantity
Light fitting (2 sections & base) + x 1 leg + x 1 Shade ring (fitted to lampholder)		x 1
Shade		x 1
Hex key		x 1
Grub screws (fitted to legs) + spare grub screw		x 6 x 1

Product assembly

Step 1
Carefully unpack the carton, making sure all the parts are present before assembly and place on a stable, flat surface. Remove the protective plastic end-caps from the tubes (A).

Step 2
Screw tube (C) and tube (D) onto the lampholder section (B) in a clockwise direction. Take care not to trap the cable or cross the threads.

Step 3
Using the supplied hex key (E), loosen the six grub screws and gently pull any excess cable through tube (D). Simultaneously push and pull the excess cable through the bend at the base (F).

Step 4
Slot the assembly into the base and retighten the grub screws to fix the stems to the base.

Step 5
Check the tightness of the joints and stand the product upright.

Step 6
To fit the shade (G) first remove the shade ring (H) from the lampholder. Place the shade over the lampholder and secure in place by refitting the shade ring.

Step 7
Fit the recommended bulb (I) as per the details overleaf.

Step 8
Unbundle the cable from the cable tie.
Your floor lamp is now ready to use.
Switch on using the floor switch.
