Delegated Regulation (EU) 65/2014

|                                                                               |                |
|-------------------------------------------------------------------------------|----------------|
| Supplier name or trademark                                                    | Haier          |
| Model identifier                                                              | HADG9CBS4BWIFI |
| Annual Energy Consumption                                                     | 26,2 kWh/annum |
| Energy Efficiency Class                                                       | A++            |
| Fluid Dynamic Efficiency                                                      | 39,7           |
| Fluid Dynamic Efficiency class                                                | A              |
| Lighting Efficiency                                                           | 16,0 Lux/W     |
| Lighting Efficiency class                                                     | D              |
| Grease Filtering Efficiency                                                   | 65,1 %         |
| Grease Filtering Efficiency class                                             | D              |
| Air flow (min speed normal use)                                               | 340 m³/h       |
| Air flow (max speed normal use)                                               | 624 m³/h       |
| Air flow (intensive or boost use)                                             | 974 m³/h       |
| Airborne acoustical A-weighted sound power emissions (min speed normal use)   | 49 dB          |
| Airborne acoustical A-weighted sound power emissions (max speed normal use)   | 61 dB          |
| Airborne acoustical A-weighted sound power emissions (intensive or boost use) | 73 dB          |
| Power consumption in standby mode (W)                                         | 0,72 W         |

Model placed on the Union market from 22/12/2023.
