Instructions for use	Waitrose Italian Espresso is designed to make the perfect short, dark, intense espresso shot, and can also be used as the base for an authentic cappuccino or latte. Some 100% Arabica coffees fight with the sweetness of milk, but ours is carefully blended so that it can be enjoyed black, or with hot or cold milk. We use a fine grind for this ground coffee, making it perfect to use in a filter machine, stovetop or traditional espresso machine.
