Product information

- Indoor use only
- 3 stage dimmer
- Replacement bulbs should be the same type and rating, available from John Lewis Partners or other established brands
- Clean the fitting with a soft dry cloth. Do not use abrasive chemical cleaners as this will damage the finish

Aftercare and Troubleshooting

You've switched on the light, but it's not working:

1. Check your power supply is switched on
2. Turn off the light and check that the bulb is inserted correctly
3. Check the bulb is still in working order

If there are technical issues with this product that you can't solve, please contact your nearest John Lewis & Partners shop or call Technical Support on 03301 230106.

LUCY DUO TABLE LAMP
USER GUIDE

5 YEARS

Product Code:
70670301

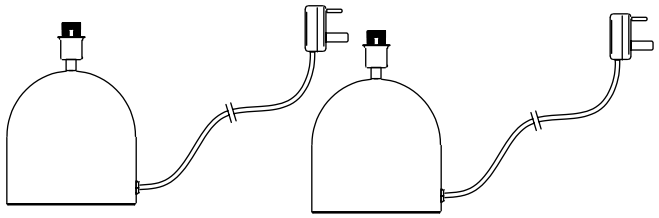

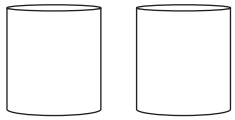

Introduction

Thank you for purchasing this Lucy Table Lamp. Please read the instructions carefully before use to ensure safe and satisfactory operation of this product.

Warnings

⚠ This is a Class II product and must NOT be earthed.
Please read these instructions carefully before commencing any work.
Your lamp has been packaged as separate parts to prevent damage during transit.
When manoeuvring or assembling this product, it must be lifted from the bottom section.
The lamp must be protected by a 3 Amp fuse in the mains plug.
If you are in any doubt, please consult a qualified electrician.
For your safety, always switch off the supply before cleaning or adjusting.
If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person.

Parts list

Parts list		Qty
Light fitting		2
Shade		2

Product assembly

Carefully unpack the carton, making sure all the parts are present before assembly.

Fit the shade (A) and secure in place with the shade ring (B).

Fit the recommended bulb per specifications.

Before plugging the lamp in, fit the recommended bulbs (C). If LED bulbs are used, they must be dimmable.

Plug into the mains and switch on by touching the metal base (D). Your table lamp is now ready for use. This product has a 3-stage touch dimmer: touch once to turn on, repeated touches will increase brightness, and the last touch to switch off.
