LUCY DUO TOUCH LAMP

USER GUIDE

Introduction

**Thank you for purchasing this Lucy Table Lamp.
Please read the instructions carefully before
use to ensure safe and satisfactory operation
of this product.**

Warnings

-  This is a Class II product and must NOT be earthed. Please read these instructions carefully before commencing any work. Your lamp has been packaged as separate parts to prevent damage during transit.
- When manoeuvring or assembling this product, it must be lifted from the bottom section.
- The lamp must be protected by a 3 amp fuse in the mains plug. If you are in any doubt, please consult a qualified electrician.
- For your safety, always switch off the supply before cleaning or adjusting. If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person.

Parts list

	Qty
Light fitting	2
Shade	2

Recommended bulb

Recommended bulb (not included)

2 x 2-4W LED, or
2 x 28W E14 Eco Golf

When changing a bulb, always switch off at the mains and allow the bulb to cool before handling. Dispose of used bulbs carefully. Do not exceed the rated power stated or use a different shape bulb from that indicated on the fitting.

Product assembly

Carefully unpack the carton, making sure all the parts are present before assembly.

Fit the shade (A) and secure in place with the shade ring (B).

Fit the recommended bulb per specifications.

Before plugging the lamp in, fit the recommended bulbs (C). If LED bulbs are used, they must be dimmable.

Plug into the mains and switch on by touching the metal base (D). Your table lamp is now ready for use. This product has a 3-stage touch dimmer: touch once to turn on, repeated touches will increase brightness, and the last touch to switch off.
