

For use

Finish - We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will damage the finish.

Glass parts - Remove and wash in warm water or just use a damp cloth. Do not use abrasive materials as these will damage the finish.

Recommended bulb

1 x 28W

G9 Eco Halogen Capsule

or

1 x 2.5W

G9 LED Energy Efficient Capsule

Use a soft cloth to handle bulbs, avoid directly touching the bulbs as this will shorten their life. When changing a bulb, always switch off at the mains and allow the bulb to cool before handling. Dispose of used bulbs carefully. Do not exceed the wattage stated or use a different shape bulb from that indicated on the fitting. This product is suitable for use with some energy-saving LED bulbs.

Specification

Maximum wattage: 28W

Voltage: 240V, 50Hz

IP Rating: 20

Weight: 1.12kg

Thank you for purchasing the Galicia Table Lamp. Please read the instructions carefully before use to ensure safe and satisfactory operation of this product. Please keep these instructions for future reference.

Warnings!

Please read these instructions carefully before commencing any work. For your safety, always switch off the supply before changing lightbulbs, cleaning or removing shades. Always take care when handling lightbulbs to avoid injury in case of breakage. If the flexible external cable becomes damaged, it should only be replaced by the manufacturer or suitably qualified person.

This product is Class II (double insulated) and must not be earthed.

Parts List

Shade		1
Base		1

Assembly

Refer to assembly drawing below. Carefully unpack the carton, making sure all the parts are present before assembly.

Step 1

Fit the shade and bulb before plugging the lamp into the mains.

Step 2

Fit the recommended bulb as per the details overleaf.

Step 3

Screw the shade onto the lampholder to secure in place.

Step 4

Switch on by touching the metal band on the base. Touch the metal band again to switch the lamp off. Your table lamp is now ready for use.
