## Installation Instructions

### Warnings!

- To prevent electric shock, switch off at the mains supply before installing or maintaining this fitting. If you are in any doubt, please consult a qualified electrician.
- Always use the correct type and wattage bulb. Never exceed the wattage stated.
- The bulb and surrounding parts can become extremely hot during use.
- For indoor use only. This lamp should always be placed on a flat and stable surface.
- Do not cover. Keep away from curtains, bedding etc.
- Always route mains cable so it does not present a hazard (entrapment, tripping etc.)

**CAUTION! Always completely unplug from mains and allow to cool before changing bulb.**

### Note

**If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively by the manufacturer or his service agent or a similarly qualified person.**

### Care instructions

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will damage the finish.
