To ensure the maximum life from your garden furniture, we recommend storing in a dry, well-ventilated space such as a garage or wooden shed over winter.

To clean the product, simply wipe down by hand with a damp sponge and a weak solution of soap and water. Do not use abrasive cleaners, as these will damage the synthetic wicker.

PLEASE NOTE all cushions should always be stored indoors after use. The cushions are not waterproof.

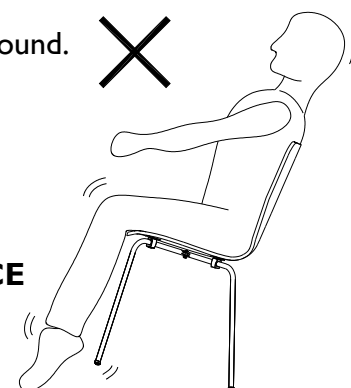

We recommended the use of furniture covers to protect your furniture when not in use. During severe weather conditions, please move your furniture inside.
