

CARA TOUCH TABLE LAMP USER GUIDE

Product code
706 70302

Getting started

Thank you for purchasing this John Lewis & Partners product. For your safety, and to make sure everything is working properly, please read the instructions carefully before use.

Warnings

To prevent electric shock, switch off at the mains supply before installing or maintaining this fitting. Ensure another person cannot restore the electricity supply without your knowledge.

If you are in any doubt, please consult a qualified electrician.

Always use the recommended bulb type and rated power. Never exceed the rated power stated.

The flexible cable on this luminaire, if damaged, shall only be replaced by the manufacturer or his service agent or a similar qualified person.

It is the installer's responsibility to ensure that the fixings and plugs used are suitable for the surface you are fixing your product on.

Caution! The bulb and surrounding parts can become hot during use.

Do not cover. Keep away from curtains, bedding etc.

Always route mains cable so it does not present a hazard (entrapment, tripping etc.); Ensure that there are no twists or snags in the cable.

Plug into the mains supply; switch on using the inline cord switch provided.

When moving this lamp, always carry by holding the stand part (and not the glass).

Parts List	Description	Image	Quantity
	Table Lamp base		× 2
	Shade Glass		× 2
	Spacer		× 2
	Shade Ring		× 2
	Shade Ring tool		× 1

Product assembly

Step 1

Unpack the product and remove all packaging.

Be careful not to scratch the surface of the product whilst removing the wrapping.

Step 2

Remove the metal spacer (B) and shade ring (C) already attached to the lamp holder section.

Step 3

Place the small hole in the base of the shade glass (A) over the lamp holder section.

Step 4

Place the metal spacer (B) over the lamp holder and inside the shade glass (lipped end first)

Step 5

Refit the shade ring (C) by placing inside the provided plastic shade ring tool (D) to secure the spacer and shade glass in position. Take care not to overtighten as this may cause damage to the fitting.

Ensure components are straight and aligned.

Your table lamp is now ready to be plugged into the wall socket and is ready to use.

Product information

- Indoor use only
- Dimmable (with suitable bulb)
- Replacement bulbs should be the same type and rating, available from John Lewis & Partners or other established brands
- Clean the fitting with a soft dry cloth

Aftercare and troubleshooting

You've switched on the light, but it's not working:

1. Check your power supply is switched on
2. Turn off the light and check that the bulb is inserted correctly
3. Check the bulb is still in working order

If there are technical issues with this product that you can't solve, please contact your nearest John Lewis & Partners shop or call Technical Support on 03301 230106.
