## Mitch

## Duo Touch Table Lamps

16/01/2020

Thank you for purchasing these Mitch Table Lamps. Please read the instructions carefully before use to ensure safe and satisfactory operation of this product.

### Warnings!

Please read these instructions carefully before commencing any work.

For your safety, always switch off the supply before changing lightbulbs, cleaning or removing shades.

Always take care when handling lightbulbs to avoid injury in case of breakage.

If the flexible external cable becomes damaged, it should only be replaced by the manufacturer or suitably qualified person.

 This product is Class II (double insulated) and must not be earthed.

### Parts list

Parts list	Image	Qty
Base		2
Shade		2
Shade ring		2

### Assembly

Refer to assembly drawings below. Carefully unpack the carton, making sure all the parts are present before assembly.

#### Step 1

Refer to Figure 1. Remove the shade ring (A) from the lampholder (B). Fit the shade (C) by slotting the shade over the lampholder and securing in place using the shade ring.

#### Step 2

Fit the bulb as per the details overleaf.

**Figure 2**

#### Step 3

Plug into the mains and switch on by touching the metal base. Your table lamp is now ready for use. This product has a 3-stage touch dimmer: touch once to turn on, repeated touches will increase brightness, and the last time to switch off.

### Care instructions

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will damage the finish.
