Battleships

Thank you for purchasing this game.
Please read the instructions and warnings
carefully before use.

Instructions	A game for 2 players.
Object of the game	To target and sink all of your opponent's ships.
Preparation	<p>The players should sit opposite each other with the play unit between them.</p> <p>Share the pegs equally between the two players, separate the red pegs into one compartment and the white pegs into the other.</p> <p>Each player places their ships on the horizontal grid in front of them. The ships can be placed anywhere on the grid in either a vertical or horizontal position.</p> <p>Decide which player is going to start.</p>
How to play	<p>Each player takes turns to shoot at their opponent's ships, by giving a reference point on the grid that they want to target.</p> <p>The opponent finds the point that has been targeted and declares either a 'hit' or a 'miss'.</p> <p>The firing player records the response by using a red peg for a 'hit' or a white peg for a 'miss'.</p> <p>If the ship has been hit, the player whose ship has been hit must place a red peg in the relevant space on that ship.</p>
How to win	The first player to hit and destroy all of their opponent's ships is the winner.
