Care guide

Care and maintenance

This product is made from Aluminium and is suitable for outdoor use.

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

Use glass cleaner or soapy water for cleaning, do not use anything abrasive as this may damage the surface of the product

Warning

Please make sure that all surfaces are protected from heat and liquids by mats and coasters. Wipe up any spills immediately and make sure that a mat or pad is placed under any paper if writing.

Handle with care! A damaged edge or scratched surface can in rare cases cause the glass to fail unexpectedly into many small pieces. Glass is most vulnerable when struck from the side.

Do not place very hot or very cold items directly on glass surfaces.

Do not sit or stand on glass surfaces.

Do not strike the glass with hard or pointed items, or use the glass as a chopping surface.

Do not use washing powder or any other substances containing abrasives, as these scratch the glass.

Your feedback is very important to us and we would love to hear your comments on your new furniture. Please visit our website to leave a review. Thank you.

Retain these instructions for future reference.
