User manual

Azure

Uplighter Brass

Thank you for purchasing this Azure Uplighter Brass. Please read the instructions and warnings carefully before use to ensure safe and satisfactory operation of this product. Please keep these instructions for future reference.

Warnings!

- This lamp is for indoor use only.
- This product is Class II.
- The supply cord cannot be replaced. If the cord is damaged, the floor lamp should be destroyed in order to avoid a safety hazard.
- Please ensure that all screws and small pieces are properly tightened to the product, especially on the top part of the pole.
- Always use the correct type and rated power bulb. Never exceed the rated power stated.
- When changing a bulb, always switch off at the mains and allow the old bulb to cool down before handling.
- Dispose of used bulbs carefully.

Parts list

	Parts list	Qty
A		1 PC
B		1 PC
C		1 PC
D		1 PC
E		1 PC
F		1 PC
G		1 PC
H		2 PCS

Assembling instructions:

1. Carefully unpack the carton, making sure all parts are included before assembly.
Place lamp parts on a flat surface.
2. Screw pole (B) dockwise onto base (A) until tight.
3. Screw pole (C) dockwise into pole (B) until tight.
4. Screw pole (D) dockwise into pole (C) until tight.
5. Screw shade holder (E) dockwise into pole (D) until tight. You may need to pull any excess cord gently through the poles so that these parts fit.
6. Unscrew pre-assembled butterfly screws (H) from shade holder (E) and remove metal plate (G).
7. Place shade (F) onto shade holder (E).
8. Place metal plate (G) back on to shade holder (E) and screw butterfly screws (H) dockwise back into place to tighten and secure the shade (F).
