### Warnings!

This product is a Low Voltage Class 3 luminaire with a Class 2 driver.

This product is suitable for indoor use only.

For your safety, always switch off the supply before cleaning or adjusting.

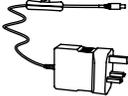

Children can become entangled in loose cables. Ensure product is in a suitable location.

This product is not suitable for children under 36 months; keep out of reach of young children.

This product contains small parts.

This product must only be used with the supplied plug-in driver.

This product contains a replaceable LED Module and cable. If the LEDs or cable become damaged then they must be replaced.

Parts list	Image	Qty
Shade		1
LED Module		1
Plug-in Driver		1

### Assembly

Refer to assembly drawings. Carefully unpack the carton, making sure all the parts are present before assembly.

#### Step 1

Place all parts on a flat stable surface in an appropriate location.

#### Step 2

Remove the shade ring (A) from the LED module, then fit the shade (B) over the module. Secure in place with the shade ring.

#### Step 3

Feed the driver cable through the hole in the shade, then plug the driver (C) into the base of the LED module (D).

#### Step 4

Plug in and switch on. Your lamp is now ready for use.
