The hands-free hood

This cooker hood has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. Leave Hob2Hood to regulate the fan while you concentrate on the key moments involved in getting your dish just right. But if you'd rather adjust the fan speed yourself, there are manual controls

Natural air, effortlessly and silently.

The sleekly designed AEG hood removes lingering odours quietly thanks to a super quiet breeze technology. So you can have a better environment in your kitchen effortlessly and silently.

Clean air with less energy

A strong motor with low-energy consumption means this hood is reliable and efficiently clears away kitchen odours.

All cooking vapours removed – in silence

Thanks to innovative technology, this hood clears your kitchen of unwanted cooking vapours almost unnoticeably. What's more, the cooker hood's virtually silent operation helps you create the perfect atmosphere in your home.

Product Specification
