

Product information

- Indoor use only
- Non-dimmable
- Replacement bulbs should be the same type and rating, available from John Lewis Partners or other established brands
- Clean the fitting with a soft dry cloth. Do not use abrasive chemical cleaners as this will damage the finish

Aftercare and Troubleshooting

You've switched on the light, but it's not working:

1. Check your power supply is switched on
2. Turn off the light and check that the bulb is inserted correctly
3. Check the bulb is still in working order

If there are technical issues with this product that you can't solve, please contact your nearest John Lewis & Partners shop or call Technical Support on 03301 230106.

MILLHOUSE FLOOR LAMP USER GUIDE

Product Code:
12000202

Getting started

Thank you for purchasing this John Lewis & Partners product. For your safety, and to make sure everything is working properly, please read the instructions carefully before use.

Warnings

This is a Class II product and must NOT be earthed. Please read these instructions carefully before commencing any work. Your lamp has been packaged as separate parts to prevent damage during transit. When manoeuvring or assembling this product, it must be lifted from the bottom section. The lamp must be protected by a 3 amp fuse in the mains plug. If you are in any doubt, please consult a qualified electrician. For your safety, always switch off the supply before cleaning or adjusting. If the mains cable becomes damaged it must only be replaced by a technically competent, qualified person. Always use correct type and wattage bulb. Never exceed the wattage stated.

Parts list

Description	Image	Quantity
Light fitting		x 1
Leg sections		x 9
Bracket		x 1
Shield		x 1

Product assembly

Step 1

Carefully unpack the carton, making sure all the parts are present before assembly.

Screw tube (A) onto tube (B) in a clockwise direction. Then screw tube (B) onto tube (C) and attach the assembled legs to the light fitting (D) in the same way.

Step 2

Stand the product upright and check the tightness of the joints by hand. Fit the bracket (E) into the shade section and secure in place with the shade ring (F).

Fit the recommended bulb (G) before screwing the shield (H) onto the top of the bracket (E).

Step 3

Plug the lamp in and switch on using the foot switch (J).

The shade position can be adjusted by loosening the adjustment handles (I) on both sides of the shade.
