Instructions for use	For the best velvet-smooth serve, add the – contents of the single-serve to your Hotel Chocolat Velvetiser with 220ml of dairy milk, plant milk or water. Then press the button and let the Velvetiser work its magic for a zero-fuss pour every time. Or just heat your choice of milk on the hob until steam starts to rise. Whisk in your chocolate flakes off the heat, then return just long enough to melt them. Be gentle and don't boil your milk to preserve its perfect flavour.
