Actual watt (W): 14.5

- 3-step Moodmaker™ (3000/4000 kelvin) by your regular wall switch • Detachable chrome ring • Night light with backlight effect
- Easy twist lock connection and easy installation • 5-year LED guarantee

Oja is an ultra-thin ceiling lamp in a modern and minimalistic design that is integrated with the 3-step Moodmaker™ SceneSelect. The ceiling lamp emits a beautiful and functional light, and even has a high degree of protection, IP54, which makes the lamp suitable for humid areas – e.g. in the bathroom or basement.

The Moodmaker™ function allows you to switch between 100% light at either 4000K or 3000K and a night light at 20% 3000k from your wall switch. Another feature incorporated in Oja is the memory and reset function which makes it easy to save and select your preferred light setting in terms of colour and brightness. Oja is included with a white and chrome ring, so that you can add the final touch to the ceiling lamp.
