YOUR KITCHEN'S IN GOOD HANDS

We've been selling fitted kitchens for over 50 years, which means we bring all our experience and skills to each individual kitchen design.

SUSTAINABILITY

Our furniture comes with expert craftsmanship and a full Forest Stewardship Council® (FSC®) chain of custody - meaning the wood we use to make our products comes from well managed forests and other controlled sources.

GUARANTEE

Welcome to your John Lewis Elements Kitchen.

Our kitchens are hand-built in the UK to order, with a 10-year guarantee and are FIRA Gold certified, ensuring product quality, seamless delivery, and efficient installation by our approved installers.

From kitchen design advice and planning through to installation, we'll bring your dream kitchen to life.

All of our cabinet legs are made from 100% recycled plastic and our cabinet chipboard is manufactured from 74% recycled content.

Our ranges include decors with various levels of recycled content, including 100% recycled board and foils made from 70% recycled PET.

The mark of responsible forestry

All our Elements kitchens are Made in Britain and the wood used to make our furniture is FSC® certified assuring that the wood comes from well managed forests and other controlled sources.

For our painted kitchen ranges, we use eco-friendly water-based paints.

KITCHEN TRENDS

Let us inspire you, with our latest decors and design ideas including hidden storage, plus our new trend-led colour choices.

DESIGN

With open-plan living continuing to rise in popularity, our new range of single and double sliding pocket doors provide a great space-saving and aesthetically pleasing solution to suit all different lifestyles.

Walk-through larders

Designed to look like part of the kitchen, our new walk-through larders provide a hidden aesthetic to cleverly conceal entryways, ideal for laundry rooms or storage pantry spaces.

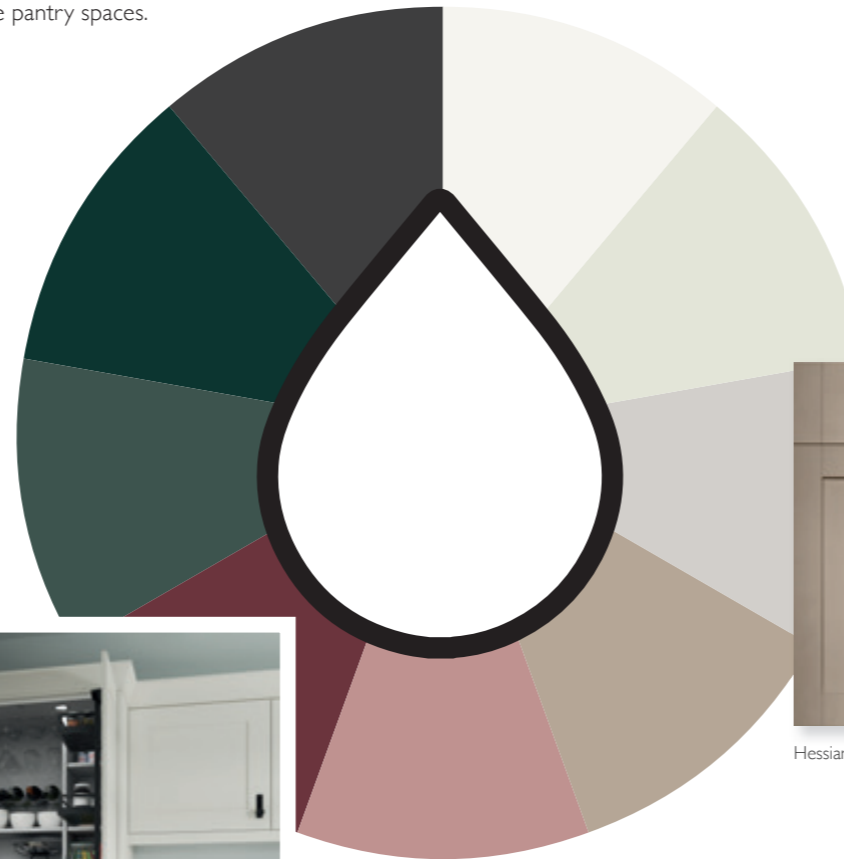

STYLE

A new kitchen style for this year is Japandi, which combines Japanese aesthetics with Scandinavian design to create a fusion of elegance, minimalism and simplicity.

CREATE YOUR DREAM KITCHEN

in 5 easy steps

1. CONSIDER YOUR LAYOUT

- A kitchen can be designed to precisely suit your needs. Which elements are fixed such as doors and windows? What elements do you desire such as appliances, clever storage, an island / breakfast bar area to socialise?

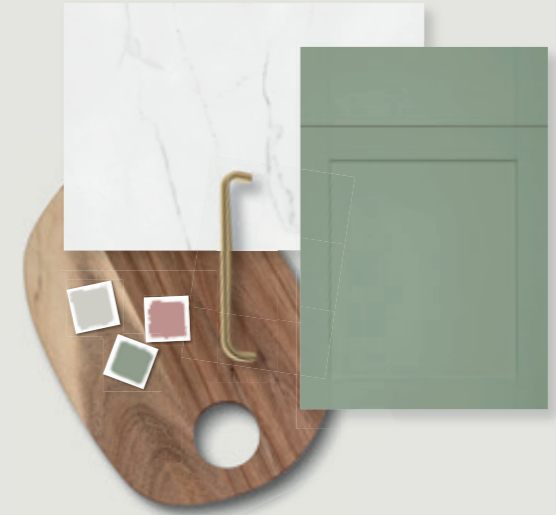

2. MAKE A WISHLIST

- A wish list is a good place to start your dream kitchen journey. It provides useful details of your lifestyle, cooking habits, and storage requirements ready for your kitchen designer.

3. CHOOSE A STYLE

- Decide upon the style of cabinetry, handles and worktops. All our designs are available in a range of styles, colours, and finishes, so there's something for all tastes and budget.

4. CUSTOMISE YOUR KITCHEN

- Add the perfect finishing touches to your dream kitchen. Select from a range of clever storage and design features.

5. VISIT A STORE

- Visit your nearest John Lewis kitchen showroom for further inspiration, where you can view a variety of kitchen displays and samples and speak with a kitchen designer.

THINGS TO CONSIDER

HANDLE STYLES

They're the finishing touch that's often overlooked – but they do so much more than open your cupboards and drawers. Choose from a range of styles in brushed metal, painted matt or integrated (or if you're feeling daring, try mixing them up a bit).

SHELL HANDLES

Add heritage style to any cupboard or drawer with a brushed metal or matt painted shell handle.

BAR HANDLES

Make a statement with a super-slimline bar handle, for an upscale contemporary feel.

CABINET KNOBS

Available in brushed metal or painted matt, the humble knob punches well above its weight in style.

D-SHAPE HANDLES

Confident, modern and pleasingly geometric, these offer easy accessibility with a sleek, clean finish.

CUP HANDLES

Go smart and understated with slim cup handles that suit both modern and contemporary looks.

WRAP-OVER INLINE HANDLES

These go over the top of the door, and are an affordable option if you like the handleless look but don't want to do away with handles altogether. Available in 4 colours: aluminum, matt black, gunmetal and brass.

STYLE THAT SLIDES AWAY

Our range of single and double sliding pocket doors provide a great space saving solution and allow elements of customisation to suit your lifestyle needs.

WALK-THROUGH LARDER

Walk-through larder provides a hidden aesthetic, ideal for compact or narrow spaces to conceal a utility room or pantry storage area.

BAR ZONE

A CLUTTER-FREE LAUNDRY AND UTILITY

A well-designed laundry and utility area can make those everyday jobs a bit less of a chore. Try a stacked arrangement for your washing machine and tumble dryer and a selection of cabinets; such as the pull-out ironing board or laundry basket - your laundry days have never looked so inviting.

HUXLEY
Matt White

Think about built-in coat and shoe storage – with tall enclosed units for things like brooms and mops.
