

# Sony TV Range

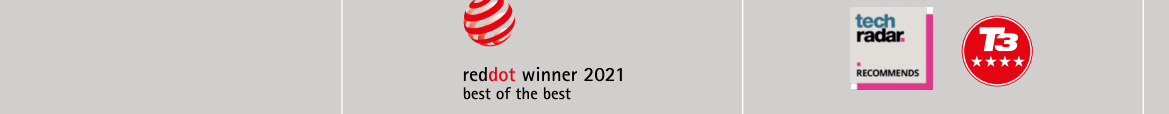

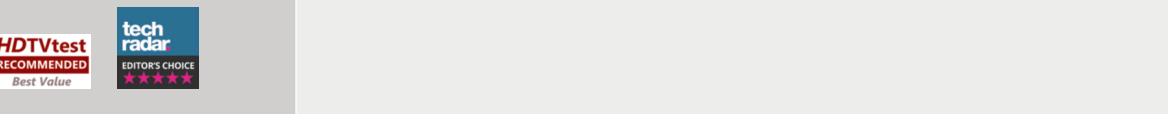

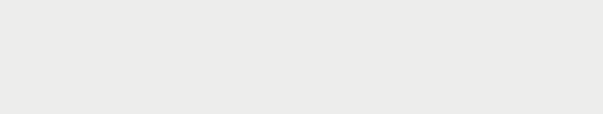

Feel the beauty of everything you watch with Sony's latest TVs.

Experience the extraordinary image and sound quality Sony televisions have to offer. Compare our range below and get the right TV for you with 8K, 4K, OLED and LED among the options to choose from.

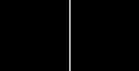

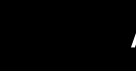

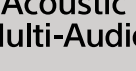

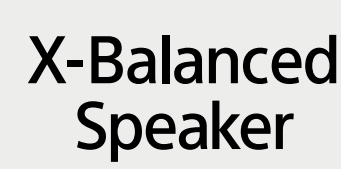

No matter which model you select, enjoy the decades of experience Sony has in making TVs as well as all the content you watch on it every day, such as the latest blockbusters from Sony Pictures Entertainment, a TV show produced by Sony Pictures Television or your favourite sports, captured on Sony cameras and supported by VAR technologies from Sony Hawkeye. Maybe you're all about gaming, with Sony PlayStation needing no introduction.

Sony is the only company that does it all, from lens to living room.
