

Robert Welch®

CARING FOR YOUR CUTLERY

100% DISHWASHER SAFE

- Wash in the dishwasher on a short hot cycle (65°-75°), as per your dishwasher's instructions
- Use quality branded 3-in-1 dishwasher tablets (we recommend Fairy Platinum Dishwasher Pods)
- Keep Rinse Aid topped up
- Avoid washing with non-stainless steel metals (these can cause rust staining – especially on knives)
- Ensure the dishwasher filters are cleaned and use a proprietary dishwasher cleaner regularly
